Fall 2013

Feifan Zhou

Laugh. Learn. Live. Cofounder @TunetapMusic

Education

2012–2016 (exp) **Cornell University**
Bachelor of Science, Computer Science
Dyson Business Minor

Experience

Curr **Cofounder + CEO, Tunetap Music**
tunetapmusic.com

Tunetap helps make more music by letting artists focus on art, not business. Tunetap is part of nepTune Technologies, liberating human creativity by making life easier. As cofounder, I build our team and culture, design and develop product and do everything no one else wants to do, so our team can focus on what they're good at.

Curr **CTO + Lead Designer, ArtZoco**
artzoco.com

ArtZoco delivers peer-to-peer e-commerce for the entire world. As CTO, I build our web platform and custom lightweight backend framework, manage our developers and keep the live site running. As lead designer, I design the UX for the site to work across cultures and technologies. We're working on a redesign of the site.

Past **iOS Developer , Splat Laser**
splatlaser.com

Splat brings videos games to the read world through hardware that plugs into smartphones. I built and overhauled the login and networking capabilities in the first iOS app, a version of laser tag.

Past **Web developer, misc.**

I built websites for various companies, teams and individuals using PHP, Wordpress, and Ruby on Rails.

Curr **Mobile applications consultant, misc.**

I'm the author of cupsofcocoa.com, a blog featuring tutorials on iOS development with very satisfied readers. I also help companies and individuals design mobile UIs and build iOS applications. I've also built some apps on a per-project or per-hour basis.

Essence

Great things come from a combination of vision and enthusiasm. I'm driven to create solutions to the problems that people confront everyday, everything that adds friction and gets in the way of life. When we do that, people become more creative and do great things.
